Resolution Regarding Proposed Modifications to
Residence at 3434 Ashley Terrace, N.W., HPA #08-191

WHEREAS the owners of the single-family residence at 3434 Ashley Terrace, N.W., in the Cleveland Park Historic District have applied to the Historic Preservation Review Board (“HPRB”) for permission to replace the existing dormer on the rear of the house with a new, slightly larger dormer and to add a small skylight on the front-facing portion of the roof of the house;

WHEREAS the proposed replacement dormer is only slightly larger than the original it replaces and does not alter the façade of the house from the street; and

WHEREAS the proposed skylight is small and will not be visible from the street:

NOW THEREFORE BE IT RESOLVED that ANC3C supports the application for the proposed modifications and recommends that the HPRB grant the application.

BE IT FURTHER RESOLVED that Commissioner Beckner, the Chair or their designee has authority to represent the Commission in all proceedings relating to this matter.
